## ACMAD Finance Committee

### Minutes

3/13/19, 2018

### Committee Members:

Subru Bhat

Betsy Cooley

Robert Dickinson

Ed Hernandez

Kathy Narum

George Young

### Topics:

- The General Manager called the meeting to order at 4:10 P.M.
- Trustees Bhat, Cooley, and Young were present. Trustees Dickinson and Narum were absent. Michelle Matthes and Ryan Clausnitzer were present representing the District.

#### 1. Review January 9<sup>th</sup>, 2019 meeting minutes

##### Discussion:

Trustee Cooley found an error where Trustee “Betsy” was written rather than Trustee “Cooley”, this was corrected.

#### 2. Review 1<sup>st</sup> draft of 2019-2020 ACMAD Budget

##### Discussion:

Trustees Cooley asked why the amount for the board room expansion/remodel project changed from \$50,000 to \$250,000 over the past few budgets? The General Manager responded that the project has been in the budget the past several years and no money was spent, except around \$2,000 last fiscal year to hire an architect to obtain a true cost of the project that would expand its initial scope to include some other facility updates. Besides the board room project, these updates include adding interior windows, converting an old lab to office space, converting an old server room to an office supply room, and updating the kitchen.

3. Review 2019-2020 strategic plan goals

**Discussion:**

Trustee Bhat asked about the progress in adding a full-time community outreach position? Currently, those tasks are being completed by a seasonal/intern employee.

4. Review MOU term salary cost analysis

**Discussion:**

Trustee Cooley asked if the District could research hiring a consultant, such as John Bartel, to analyze our pension funding strategy? The General Manager will report back by the next finance committee meeting.

5. Adjourn

**Respectfully submitted,**

Approved as written and/or corrected at the Finance Committee meeting held March 13<sup>th</sup>, 2019.

**RE: ACMAD's 2019-20 Budget: First Draft for Board review**

Dear ACMAD Board of Trustees,

Please accept the second draft of the 2019-2020 budget. Please note, some amounts are preliminary. For example, a 5% increase is assumed for our Insurance needs (VCJPA--unknown until May) and an 8% increase to Health, Life, and Dental rates (unknown until June).

With these estimates, I project a **surplus of \$632,847**. This surplus does not include cash carried over and unused capitol project funding. Adding those amounts and subtracting the amount necessary to operate from July to December leaves the District with a **\$1,128,985 surplus**. This is the amount that can be allocated to reserve accounts.

First, I propose adding an additional \$500,000 to our **pension rate stabilization fund**. This will complete the initial funding goal of \$1,500,000. Referencing the recently completed capital replacement program, I propose moving forward with the 4-year funding proposal which will fund current capital asset for 20 years. This requires a deposit of \$1,196,000 into the **repair and replace fund** and transferring \$51,332 from the VCJPA **property contingency fund** into our **capital reserve fund** (for non-capital large projects and new capital assets). This VCJPA fund is redundant, we also have a member contingency fund. To make up the difference between the after transferring our surplus into our pension stabilization fund, I propose transferring \$567,015 from our **operating reserve** into the repair and replace fund. That would still leave the operating reserve at 54% funded.

Thank you for your commitment this past year to put us in the strong financial position we find ourselves in today.

I am happy to answer any questions.

Sincerely,

Ryan Clausnitzer  
General Manager
