

JOB ANNOUNCEMENT

Seasonal Mosquito Control Technician

The Seasonal Mosquito Control Technician conducts a planned program of mosquito detection and abatement in an assigned zone, assists support staff, and does related work as required.

SALARY RANGE

\$20.00 + per hour, based on experience and certifications.

BENEFITS

Three paid days of sick leave after the first month of employment.

MINIMUM REQUIREMENTS

- Possess a valid California Driver License
- Equivalent to graduation from high school and college level lab course(s) in the biological sciences is highly preferred.

KNOWLEDGE

- Methods of identification, biology, ecology, and public health importance of mosquitoes present in Alameda County; and
- Field equipment used to control mosquito abundance.

HOW TO APPLY:

Please [click here](#) or scan the QR code below for more information about the Seasonal Mosquito Control Technician.

ESSENTIAL JOB DUTIES

- Drives a government vehicle to sites throughout Alameda County to treat catch basins for mosquito breeding;
- Interacts with community members in Alameda County;
- Assists field staff with mosquito control treatments;
- Follows District safety procedures and other regulatory requirements when using District equipment;
- Performs, occasionally, other tasks or functions not stated in this description, but within the scope of experience and capability; and
- Performs related work as required.

ABILITIES

- Speak, write, and understand English clearly in order to communicate with the public;
- Perform moderate physical labor;
- Prepare, organize, and maintain accurate records; and
- Cooperate with other agencies, officials, employees, and the public.

WORKING CONDITIONS

- Full-time, non-exempt, with a seasonal term estimated to last approximately 1,000 hours, or around six months from your starting date.
- Medium Work: Incumbent performs work, which involves frequent lifting, pushing and/or pulling of objects of approximately 50 pounds. Heavier lifting is an infrequent aspect of this position.
- Mobility: Incumbent must have complete and normal mobility of arms to reach and dexterity of hands to grasp and manipulate small objects; be able to stand, stoop, reach and bend and to walk on uneven terrain, such as field, dirt banks, natural and cement stream beds, and shallow ponds.
- Other Conditions: Incumbent may be exposed to and handle toxic and hazardous substances; work, when necessary, in inclement weather including sun, cold and rain.
- Must be sighted in both eyes with the ability to demonstrate depth perception.
- Have a minimum of single-ear aided hearing.
